PROFESSIONAL SUMMARY

Experienced group facilitator and educator with a deep commitment to inclusive, people-centered work. Spent **6 years as a volunteer educator and one-on-one support worker** for visually impaired children at Saving Hands NGO - teaching, providing health and well-being support, leading individual learning sessions, and participating in fundraising and community outreach. Currently a **Graduate Teaching Assistant at George Mason University**, facilitating hands-on learning for 600+ students across multiple sections. Brings a calm, safety-first presence, strong adaptive communication skills, and genuine care for participant well-being to every group setting.

FACILITATION & COMMUNITY EXPERIENCE

Saving Hands NGO - Pune, India

2018 – 2024

Volunteer Educator & Support Worker — Visually Impaired Children · One-on-One Support · Community Development

- Provided **one-on-one academic support** to visually impaired children - teaching core subjects, assisting with assignments and exam preparation, and adapting instruction to each child's individual learning needs and pace.
- Conducted **health checkups** and monitored the physical and emotional well-being of participants; maintained a safe, nurturing environment and escalated concerns appropriately to program coordinators.
- Built **sustained, trust-based relationships** with children and families over 6 years of consistent involvement; participated in **fundraising events** and community outreach to support program operations and expand NGO reach.
- Coordinated with fellow volunteers and program staff to deliver consistent, high-quality support across diverse group and individual sessions.

George Mason University - College of Engineering and Computing

Aug 2025 – Present

Graduate Teaching Assistant — Group Facilitation · Instructional Leadership · Student Mentoring

- Lead hands-on lab sessions and office hours for **600+ students across multiple sections**, guiding diverse groups through structured learning activities with targeted one-on-one follow-up support.
- Adapt facilitation style to meet varied student needs - maintaining group energy and momentum while holding space for individuals who need extra support; coordinate pacing and content delivery with lead instructor across all sections.

George Mason University - Research

Aug 2024 – Aug 2025

Research Associate — Multi-Stakeholder Communication · Group Presentations

- Presented research insights to diverse academic audiences; communicated complex findings accessibly to non-specialist stakeholders - driving **40% improvement in comprehension** across two faculty cohorts.

Entrata - PropTech SaaS

Jan 2017 – Aug 2024

Senior Software Engineer — Team Mentoring · Safety Culture · Cross-Functional Leadership

- Mentored **5+ junior engineers** with structured feedback and one-on-one coaching; led cross-team coordination across 120+ Agile sprints; maintained **zero safety/security incidents** across 6+ years handling sensitive data for 100K+ users - evidence of consistent safety-first mindset under real operational pressure.
